A background image showing a rock climbing scene. Two climbers are visible on a steep, reddish-brown rock face. One climber is in the foreground, wearing a blue shirt and a white helmet, and is secured by a rope. Another climber is further up the rock face, wearing a green helmet. The scene is set against a backdrop of rugged, layered rock formations.

We specialize in infrastructure design, installation and maintenance of outdoors adventure sports, working at height and artificial climbing structures. We also provide outdoors and adventure sports equipment for retail and the industry.

Our consultancy section provides strategic assessment and technical and business planning for organizations working in the adventure activity area. These include all indoor and outdoor, urban and rural locations. Our dedicated team has several decades of experience from around the world and over 15 years of successful delivery of projects in the GCC region.

Through our business segments we deliver the tools needed to enjoy outdoor and indoor active adventures.

Climbing

A scenic landscape at sunset. The sun is low on the horizon, casting a warm glow over the scene. In the foreground, there are tall, golden reeds on the left and dense green foliage on the right. A calm body of water, possibly a river or lake, reflects the sunset and the surrounding landscape. In the background, there are rugged mountains under a sky with soft, wispy clouds. The overall mood is peaceful and serene.
